Reputed as one of the greatest archaeological finds in the twentieth century and the eighth wonder of the world, buried at 1.5 km east of **Qinshihuang's Mausoleum, Terracotta Army or Terracotta Warriors and Horses** is the funerary object of Emperor Qinshihuang (259~210 BC), the first Emperor of China. In ancient China, people believed in after-world, thus, Emperor Qinshihuang built the Terracotta Warriors and Horses as his underground army to protect his soul in the after-world.

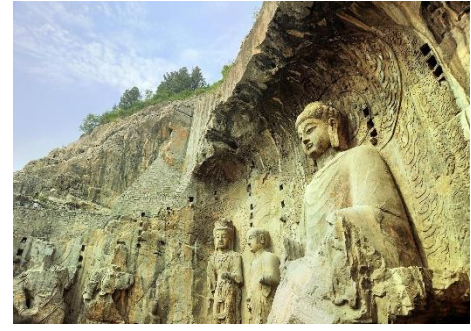

**Yuntai Mountain**, Yuntaishan in Chinese, is perched in the intersection of Henan and Shanxi Province. This picturesque landscape makes Yuntai Mountain reputed as A Long Art Gallery and Volumes of Historical Books. In Yuntai Mountain you can not only enter a virgin forest and appreciate the charm of the nature, but also take a deep breath of fresh air and taste the local dishes.

Located in downtown of Kaifeng City, Henan Province, China, **Qingming Riverside Landscape Garden** in Kaifeng is a theme park showing the culture of the Song Dynasty. It was the copy of the painting The Festival of Pure Brightness on the River, which was drawn by the famous painter Zhang Zeduan in the Northern Song Dynasty. It is the only archaized theme park in China that takes a picture as prototype.

**Shaolin Temple**, a world famous Buddhist temple in China, is located at the west foot of Mt. Songshan which is 13 km northwest of Dengfeng City, 66 km east from Zhengzhou, 49 kilometers west from Luoyang. It leans on Wuru Peak, surrounded by mountains and peaks, which appears well-proportioned natural barrier. The east of Mt. Songshan is the Taishi Mountain, and the west is the Shaoshi Mountain, each of them has 36 famous peaks. Shaolin Temple is located in dense bamboo forest at the foot of Wuru Peak on Shaoshi Mountain, the name "Shaolin".

Rich in thousands of grottoes, countless Buddhists and inscriptions, **Longmen Grottoes** (Longmen Caves) is known as the Buddhist Art Treasure and one of the three most famous Grottoes in China with Dunhuang Mogao Grottoes in Gansu and Yungang Grottoes in Shanxi. With its outstanding Buddha complex and extraordinary artistic creativity, Longmen Grottoes was list as UNESCO World Heritage List in 2000.
