Tour Highlights

- ✓ Flights to ChengDu by **Batik Air** (OD)
- ✓ No compulsory **shopping stops**
- ✓ People always say: "If you weren't on Ciqikou, you weren't in Chongqing". **Ciqikou Ancient Town**, or called Ciqikou Old Town, is a great place to stimulate the tastebuds and find unique souvenirs (wooden knickknacks, porcelain, clothes, foods to bring home, etc.). The area is also very suitable for picture taking and enjoying traditional architecture and street performers.
- ✓ **Wulong** becomes known to foreign tourists due to Michael Bay's hit movie – Transformers: Age of Extinction, which directly shows the majesty beauty of the Three Natural Bridges in Wulong. Besides the famous movie-site, other interesting nature objects are also in this area, like Furong Cave, Longshuixia Gap and Fairy Mountain.
- ✓ Take "The First Corridor across Yangtze River" to experience 1166-meter-long **Yangtze River Cableway** to have a panoramic view of the mountain city and Yangtze River.
- ✓ **The Chengdu Research Base of Giant Panda Breeding**, also known simply as the Chengdu Panda Base, is the most popular attraction near Chengdu. It draws tens of thousands of visitors daily, both local and foreigners alike. Chengdu is often referred to as the "Hometown of Pandas" because of this incredible sanctuary.
- ✓ Built on a cliff side facing the Jialing River, **Hongya Cave** is the largest building complex where you can see the lights in the evening and explore shops and restaurants inside

Wulong Three Natural Bridges is perhaps one of the most famous and attractive scenic spots in Wulong. Famous well before the Transformers movies filmed a short sequence here, but this scenic spot has become more famous in recent years as more and more foreigners make their way to this unbelievable sight. Local movies have also been filmed here, such as the Curse of the Golden Flower and the Three Natural Bridges is also a UNESCO World Heritage Site.

Dujiangyan Panda Base is a professional organization specializing in giant panda rescue and disease prevention in China. This professional panda base also offers the meaningful and love caring giant panda volunteer program for world panda lovers to help taking good care and protect the rare and lovely giant pandas. Therefore, loving people are recommended to go this panda base in Dujiangyan to achieve your dream of pandas!

Jindo (Golden Buddha) Mountain is located at 30 degrees north latitude near the city in Chongqing Nanchuan District, north big Lou mountains, an area of 1300 square kilometers, scenic area of 441 square kilometers, the highest elevation 2238 meters, the forest coverage rate reached more than 95%, there is a "natural plant museum", known as "Oriental the Alps".

"**Baodingshan Rock Carvings** was constructed by the famous monk Zhao Zhifeng in the Song Dynasty for more than 70 years. As one of the most famous Tantric Buddhist shrines in China, there is an old saying that goes like "Go North, climb the Emei Mountain; Go South, reach the Baoding Mountain." Like a picture scroll with endless photographs, the content of Baodingshan rock carvings is mainly Buddhist scripture stories, each niche related to the other but not identical.

Chongqing **Yangtze River Cableway**, one of the fewest of its kind, is a cable car stretching across the Yangtze River that runs through the city. Whisking visitors high in the sky across the mountain metropolis, it is a symbol of the city, an inspiration for filmmakers and a must-do in Chongqing.
